## Fossil Insects - Bridging Past and Present

**Dear Friends and Colleagues,**

We are pleased to invite you to the International Palaeoentomological Conference  
**Fossil Insects - Bridging Past and Present,**  
which will take place in **Kraków on 22<sup>nd</sup> to 25<sup>th</sup> May, 2025.**

We are organising this event to highlight the **significance of Polish palaeoentomology**  
and to celebrate  
**the 40<sup>th</sup> Anniversary of the Palaeoentomological Section of the Polish Entomological Society.**

We will focus on fossil insects from different epochs and the insights they provide for palaeoenvironmental reconstructions and the study of evolutionary trends. We aim to highlight the contribution of Polish researchers to the development of global palaeoentomology, set against the backdrop of international achievements.

Detailed information and registration will be available soon. We are still finalising the details, but **please save the date: May 22<sup>nd</sup> to 25<sup>th</sup>, 2024 to visit Kraków.**

We are pleased to announce thanks to the support of the Ministry of Science and Higher Education, we are able to minimise the costs of participation in the event. We warmly invite you to participate in the conference in the heart of Kraków!
